**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

The Assistant Secretary – Indian Affairs is seeking renewal of the approval for the information collection conducted under OMB Control Number 1076-0135, Reporting System for Indian Employment, Training, and Related Services Demonstration Act of 1992 (as amended) (Public Law 102-477) Demonstration Project. This information allows the Office of Indian Energy and Economic Development (IEED) to document satisfactory compliance with statutory, regulatory, and other requirements of the various integrated programs. Public Law 102-477 authorizes tribal governments to integrate Federally funded employment, training, and related services and programs into a single, coordinated, comprehensive service delivery plan. Funding agencies include the Department of the Interior, the Department of Labor, and the Department of Health and Human Services. The Bureau of Indian Affairs (BIA) is statutorily required to serve as the lead agency and provides a single report format for use by tribal governments to report on integrated activities and expenditures. The IEED shares the information collected from these reports with the Department of Labor and the Department of Health

and Human Services. No third party notification or public disclosure burden is associated with this collection.

## **II. Request for Comments**

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the ADDRESSES section. Before including your address, phone number, e-mail address or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time.
